NET CONTENTS **10 Litres**

READ LABEL CAREFULLY BEFORE USING STEMSHOT KF-1

STEMSHOT KF-1 IS ONLY TO BE APPLIED TO KIWIFRUIT VINES USING THE STEMGUN AND IN ACCORDANCE TO THE RECOMMENDATIONS LISTED BELOW.

Access by children must be prevented. Use in accordance with Directions for Use.

DIRECTIONS FOR USE:

1. Identification

Identify affected vines in the growing season and mark with flagging tape or other identification method. (Consider application of StemShot® KF-1™ to vines in close proximity to affected vines as symptoms may appear in these plants the following season.)

2. Timing

Treat marked vines with StemShot® KF-1™ in the period after full canopy.

3. Application

StemShot® KF-1™ is to be used with the StemGun®. No mixing or dilution of StemShot® KF-1™ is required prior to use. Use StemShot® KF-1™ directly from the container. Shake contents before use. Pre-drill the vine stem at the appropriate location. Apply a single application of StemShot® KF-1™ per season at the rate of 100 mls per vine stem. Apply in accordance to the instructions supplied with the StemGun®. Insert a StemPlug™ into the vine to seal the injection site following application.

4. Monitoring

Monitor vine recovery in the following seasons and reapply if the symptoms persist.

DANGER – Causes serious eye damage. Access by children must be prevented. Avoid contact with skin or eyes. Wear protective equipment including gloves, face and eye guard when handling. Contains 100 g/L phosphoric acid.

WARNING – Very toxic to aquatic life. Do not dispose of in water ways.

WARNING – May be harmful if swallowed. Restrict access by children.

NZ patent application no. 544806

DANGER

Causes serious eye damage. Wear eye/face protection. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a POISON CENTRE or doctor/physician. Contains 100 g/L phosphoric acid.

WARNING

May be harmful if swallowed. Call a POISON CENTRE or doctor/physician if you feel unwell. Causes skin irritation. Wash thoroughly after handling. Wear protective gloves. IF ON SKIN: Wash with plenty of soap and water. If skin irritation occurs get medical advice/attention. Take off contaminated clothing and wash before re-use. May cause damage to organs through prolonged or repeated use. Do not breathe mist or spray. IF INHALED: Remove to fresh air and keep at rest in a position comfortable for breathing. Get medical advice/attention if you feel unwell. Very toxic to aquatic life. Do not release to the environment. Collect spillage.

PRECAUTIONS AND ADVERSE EFFECTS:

Only apply StemShot® KF-1™ in accordance with the Directions for Use.

STORAGE AND DISPOSAL:

Store below 30°C. Store in a dry place. Keep container closed. Keep away from light. If disposal of unused product is required dilute in container with plenty of water so that it is no longer hazardous.

SHELF LIFE:

When stored appropriately, this product should show no significant degradation for 2 years from the date of manufacture. Contact your supplier for further information about the use of any product that is older than this.

SAFETY DATA:

In New Zealand, if poisoning occurs, contact the National Poisons Centre on 0800 764 766. In Australia, the Australian Poisons Information Centre, 13 11 26.

DISCLAIMER:

- To minimize the risk of damage or unintended outcomes always follow: (a) the directions on the labels; and (b) the advice of suitably qualified advisers before applying StemShot® KF-1.
- Omnia has no control over: (a) the storage, handling, mixing, application or use of StemShot® KF-1 and StemGun®, or (b) the weather, plant or soil conditions before, during or after application of StemShot® KF-1, (all of which may affect the performance of StemShot® KF-1) and therefore takes no responsibility for and accepts no liability in respect of any failure in performance, losses, damages or injuries arising from such storage, handling, mixing, application or use of the product arising from the weather, plant or soil conditions before, during or after the application of StemShot® KF-1.
- Omnia accepts no responsibility for, or liability in respect of any statements, claims, advice, directions or representations made by any of its staff, distributors or retailers in connection with StemShot® KF-1 and StemGun®.
- To the maximum extent possible by law: (a) Omnia limits any liability in respect of StemShot® KF-1 or the supply thereof to the value of StemShot® KF-1 supplied; and (b) Omnia limits its liability in respect of StemShot® KF-1 to the liability to replace materially defective product.

Registered pursuant to the ACVM Act 1997, No. P7434.
